Re: 2018-2020 Three-Year Election for Retransmission Consent

Dear Mr. Schonewolf:

In accordance with Section 76.64 of the Rules of the Federal Communications Commission ("FCC"), this is to notify you that Station WMTW, Poland Spring, Maine (the "Station") elects to require Spectrum to obtain the consent of the Station for retransmission of its broadcast signal effective January 1, 2018, through December 31, 2020, for all geographical areas. Consent of the Station for retransmission of its signal will be required for, but not limited to, the system(s) serving the community(ies) and county(ies) listed on the enclosed 2018-2020 Retransmission Consent Election Statement.

I would appreciate your contacting me to discuss the terms under which the system(s) may retransmit the Station's signal. If you already have a retransmission consent agreement with the Station or Hearst Television Inc. or a subsidiary thereof (collectively, "Hearst") that covers the Station for all or a portion of the January 1, 2018, through December 31, 2020, cycle, then the terms of that agreement will govern for the period specified in the agreement. If such an agreement expires prior to December 31, 2020, then it will be necessary for you to negotiate for retransmission consent following that expiration. In addition, if any retransmission consent agreement between you and the Station or Hearst contains an automatic renewal provision, then this letter shall also serve as notice of termination of that agreement, and it will be necessary for the system(s) to negotiate for retransmission consent following expiration of the current term of that agreement.

Re: 2018-2020 Three-Year Election for Retransmission Consent

Dear Mr. Schonewolf:

In accordance with Section 76.64 of the Rules of the Federal Communications Commission ("FCC"), this is to notify you that Station WMTW, Poland Spring, Maine (the "Station") elects to require Spectrum to obtain the consent of the Station for retransmission of its broadcast signal effective January 1, 2018, through December 31, 2020, for all geographical areas. Consent of the Station for retransmission of its signal will be required for, but not limited to, the system(s) serving the community(ies) and county(ies) listed on the enclosed 2018-2020 Retransmission Consent Election Statement.

I would appreciate your contacting me to discuss the terms under which the system(s) may retransmit the Station's signal. If you already have a retransmission consent agreement with the Station or Hearst Television Inc. or a subsidiary thereof (collectively, "Hearst") that covers the Station for all or a portion of the January 1, 2018, through December 31, 2020, cycle, then the terms of that agreement will govern for the period specified in the agreement. If such an agreement expires prior to December 31, 2020, then it will be necessary for you to negotiate for retransmission consent following that expiration. In addition, if any retransmission consent agreement between you and the Station or Hearst contains an automatic renewal provision, then this letter shall also serve as notice of termination of that agreement, and it will be necessary for the system(s) to negotiate for retransmission consent following expiration of the current term of that agreement.

Re: 2018-2020 Three-Year Election for Retransmission Consent

Dear Mr. Schonewolf:

In accordance with Section 76.64 of the Rules of the Federal Communications Commission ("FCC"), this is to notify you that Station WMTW, Poland Spring, Maine (the "Station") elects to require Spectrum to obtain the consent of the Station for retransmission of its broadcast signal effective January 1, 2018, through December 31, 2020, for all geographical areas. Consent of the Station for retransmission of its signal will be required for, but not limited to, the system(s) serving the community(ies) and county(ies) listed on the enclosed 2018-2020 Retransmission Consent Election Statement.

I would appreciate your contacting me to discuss the terms under which the system(s) may retransmit the Station's signal. If you already have a retransmission consent agreement with the Station or Hearst Television Inc. or a subsidiary thereof (collectively, "Hearst") that covers the Station for all or a portion of the January 1, 2018, through December 31, 2020, cycle, then the terms of that agreement will govern for the period specified in the agreement. If such an agreement expires prior to December 31, 2020, then it will be necessary for you to negotiate for retransmission consent following that expiration. In addition, if any retransmission consent agreement between you and the Station or Hearst contains an automatic renewal provision, then this letter shall also serve as notice of termination of that agreement, and it will be necessary for the system(s) to negotiate for retransmission consent following expiration of the current term of that agreement.

Re: 2018-2020 Three-Year Election for Retransmission Consent

Dear Mr. Jobe:

In accordance with Section 76.64 of the Rules of the Federal Communications Commission ("FCC"), this is to notify you that Station WMTW, Poland Spring, Maine (the "Station") elects to require Metrocast Cablevision to obtain the consent of the Station for retransmission of its broadcast signal effective January 1, 2018, through December 31, 2020, for all geographical areas. Consent of the Station for retransmission of its signal will be required for, but not limited to, the system(s) serving the community(ies) and county(ies) listed on the enclosed 2018-2020 Retransmission Consent Election Statement.

I would appreciate your contacting me to discuss the terms under which the system(s) may retransmit the Station's signal. If you already have a retransmission consent agreement with the Station or Hearst Television Inc. or a subsidiary thereof (collectively, "Hearst") that covers the Station for all or a portion of the January 1, 2018, through December 31, 2020, cycle, then the terms of that agreement will govern for the period specified in the agreement. If such an agreement expires prior to December 31, 2020, then it will be necessary for you to negotiate for retransmission consent following that expiration. In addition, if any retransmission consent agreement between you and the Station or Hearst contains an automatic renewal provision, then this letter shall also serve as notice of termination of that agreement, and it will be necessary for the system(s) to negotiate for retransmission consent following expiration of the current term of that agreement.

Re: 2018-2020 Three-Year Election for Retransmission Consent

Dear Mr. Schonewolf:

In accordance with Section 76.64 of the Rules of the Federal Communications Commission ("FCC"), this is to notify you that Station WMTW, Poland Spring, Maine (the "Station") elects to require Spectrum to obtain the consent of the Station for retransmission of its broadcast signal effective January 1, 2018, through December 31, 2020, for all geographical areas. Consent of the Station for retransmission of its signal will be required for, but not limited to, the system(s) serving the community(ies) and county(ies) listed on the enclosed 2018-2020 Retransmission Consent Election Statement.

I would appreciate your contacting me to discuss the terms under which the system(s) may retransmit the Station's signal. If you already have a retransmission consent agreement with the Station or Hearst Television Inc. or a subsidiary thereof (collectively, "Hearst") that covers the Station for all or a portion of the January 1, 2018, through December 31, 2020, cycle, then the terms of that agreement will govern for the period specified in the agreement. If such an agreement expires prior to December 31, 2020, then it will be necessary for you to negotiate for retransmission consent following that expiration. In addition, if any retransmission consent agreement between you and the Station or Hearst contains an automatic renewal provision, then this letter shall also serve as notice of termination of that agreement, and it will be necessary for the system(s) to negotiate for retransmission consent following expiration of the current term of that agreement.

Re: 2018-2020 Three-Year Election for Retransmission Consent

Dear Mr. Feeney:

In accordance with Section 76.64 of the Rules of the Federal Communications Commission ("FCC"), this is to notify you that Station WMTW, Poland Spring, Maine (the "Station") elects to require FiberCast Cable Communications to obtain the consent of the Station for retransmission of its broadcast signal effective January 1, 2018, through December 31, 2020, for all geographical areas. Consent of the Station for retransmission of its signal will be required for, but not limited to, the system(s) serving the community(ies) and county(ies) listed on the enclosed 2018-2020 Retransmission Consent Election Statement.

I would appreciate your contacting me to discuss the terms under which the system(s) may retransmit the Station's signal. If you already have a retransmission consent agreement with the Station or Hearst Television Inc. or a subsidiary thereof (collectively, "Hearst") that covers the Station for all or a portion of the January 1, 2018, through December 31, 2020, cycle, then the terms of that agreement will govern for the period specified in the agreement. If such an agreement expires prior to December 31, 2020, then it will be necessary for you to negotiate for retransmission consent following that expiration. In addition, if any retransmission consent agreement between you and the Station or Hearst contains an automatic renewal provision, then this letter shall also serve as notice of termination of that agreement, and it will be necessary for the system(s) to negotiate for retransmission consent following expiration of the current term of that agreement.

Sincerely,

David W. Abel

Re: Retransmission Consent Elections

Dear Mr. David:

In the fourth quarter of 2014, we received one or more letters from you directed to one or more of the television stations listed in Exhibit A hereto (for which the ultimate parent in each case is Hearst Television Inc. ("Hearst")) in which you state that FilmOn X, LLC ("FilmOn X") intends to commence operations as a multichannel video programming distributor ("MVPD") in the relevant station's Designated Market Area ("DMA").

Since the time of your letters, we have received no further communications from you expressing FilmOn X's intent to commence operations as an MVPD in our stations' DMAs.

It remains our position that FilmOn X does not currently qualify as an MVPD under the definitions of MVPD as set forth either in the Communications Act of 1934, as amended, or in the rules and regulations of the Federal Communications Commission ("FCC"). See 47 U.S.C. § 522(13); 47 C.F.R. § 76.1000(e), § 76.1300(d). Accordingly, FilmOn X is not entitled to invoke the FCC's rules relating to the commencement of new operations and the election of mandatory carriage or retransmission consent by television stations that such a new MVPD seeks to retransmit.

In the event it is determined that FilmOn X's 2014 notice is proper, but without waiver of any of Hearst's rights, which are expressly reserved, Hearst, on behalf of each television station listed in Exhibit A, hereby elects retransmission consent for all FilmOn X systems in each station's DMA as listed in Exhibit A for the election cycle that commences January 1, 2018, and terminates December 31, 2020.

Please contact the undersigned if you have any questions concerning this notice.

Sincerely,

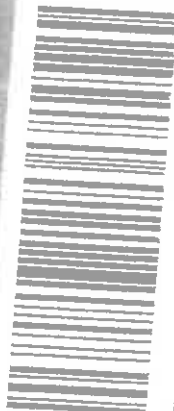

Nicholas Radziul
Vice President, Distribution

Re: Retransmission Consent Elections

Dear Mr. Sisk:

Over the past year, we received one or more letters from you directed to one or more of the television stations listed in Exhibit A hereto (for which the ultimate parent in each case is Hearst Television Inc. ("Hearst")) in which you state that Real Choice TV ("Real Choice TV") intends to commence operations as a multichannel video programming distributor ("MVPD") in the relevant station's Designated Market Area ("DMA").

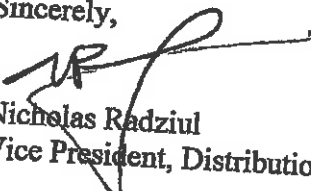

Since the time of your letters, we have received no further communications from you expressing Real Choice TV's intent to commence operations as an MVPD in our stations' DMAs.

It remains our position that Real Choice TV does not currently qualify as an MVPD under the definitions of MVPD as set forth either in the Communications Act of 1934, as amended, or in the rules and regulations of the Federal Communications Commission ("FCC"). See 47 U.S.C. § 522(13); 47 C.F.R. § 76.1000(e), § 76.1300(d). Accordingly, Real Choice TV is not entitled to invoke the FCC's rules relating to the commencement of new operations and the election of mandatory carriage or retransmission consent by television stations that such a new MVPD seeks to retransmit.

In the event it is determined that Real Choice TV's prior notices are proper, but without waiver of any of Hearst's rights, which are expressly reserved, Hearst, on behalf of each television station listed in Exhibit A, hereby elects retransmission consent for all Real Choice TV systems in each station's DMA as listed in Exhibit A for the election cycle that commences January 1, 2018, and terminates December 31, 2020.

Dear Ms. Manning:

In accordance with Section 76.64 of the Rules of the Federal Communications Commission ("FCC"), this is to notify you that Station WMTW, Poland Spring, Maine (the "Station") elects to require Lincolnvile Communications to obtain the consent of the Station for retransmission of its broadcast signal effective January 1, 2018, through December 31, 2020, for all geographical areas. Consent of the Station for retransmission of its signal will be required for, but not limited to, the system(s) serving the community(ies) and county(ies) listed on the enclosed 2018-2020 Retransmission Consent Election Statement.

I would appreciate your contacting me to discuss the terms under which the system(s) may retransmit the Station's signal. If you already have a retransmission consent agreement with the Station or Hearst Television Inc. or a subsidiary thereof (collectively, "Hearst") that covers the Station for all or a portion of the January 1, 2018, through December 31, 2020, cycle, then the terms of that agreement will govern for the period specified in the agreement. If such an agreement expires prior to December 31, 2020, then it will be necessary for you to negotiate for retransmission consent following that expiration. In addition, if any retransmission consent agreement between you and the Station or Hearst contains an automatic renewal provision, then this letter shall also serve as notice of termination of that agreement, and it will be necessary for the system(s) to negotiate for retransmission consent following expiration of the current term of that agreement.
